COLLEGE AT A GLANCE: Seven Hills College of Pharmacy (SHCP) was started in 2007 as an institution exclusively specialized in pharmacy education by Global Vision Educational & Welfare Society (Reg. No. 296/ 2005). Presently the college is offering B.Pharmacy, Pharm.D, Pharm.D (PB) & M. Pharmacy in Pharmaceutics, Pharmacology, and Pharmaceutical Analysis. Seven Hills College of Pharmacy is a one-step solution for all the higher education and research requirements of pharmacy students. The College is approved by All India Council for Technical Education (AICTE) New Delhi, Pharmacy Council of India (PCI) New Delhi, Affiliated to Jawaharlal Nehru Technological University Ananthapur - (JNTUA) Ananthapuramu. The College is also recognized by UGC under sections 2(f) and 12(B) of UGC act 1956, Certified by ISO 9001: 2015 and Accredited "A" Grade by NAAC and NBA (UG), New Delhi. SHCP is crowned with an Autonomous Status by UGC, New Delhi for a period of 10 Years from 2020-2021 to 2029-2030 and also Recognized Research Centre for Ph.D Programme in the area of Pharmaceutical Sciences by JNTUA, Ananthapuramu.

ABOUT THE DEPARTMENT OF PHARM.D: Seven Hills College of Pharmacy was established Pharm D course in 2012. This six-year Pharm. D curriculum is designed to meet the standards and guidelines for professional programs in pharmacy. Pharm D is the first professional degree, and a prerequisite for licensing to practice as pharmacist in many countries.

ABOUT COLLABORATION WITH SVIMS: The strong Association of Seven Hills College of Pharmacy and Sri Padmavathi Medical College for Women was strategically formed years before and applying the Global advancements of Medical and Para-medical field to the student level academic and clinical practice. This mutual collaboration always focuses on conducting researches trainings, consultancy programs, research publications and organising of annual conferences and workshops.

ABOUT CONFERENCE: The two days National symposium aims to promote the academic links among the pharma professionals and students to height level of its application in clinical pharmacy practice and academia. And also assist the invited pharma scientific scholars, students and researchers to make their substantial contributions to the advanced clinical pharmacy through this platform. We believe this National Symposium is having significant remarkable importance in the area of clinical pharmacy and academic partnership that provide opportunities to develop new insights and to widen their research and clinical pharmacy practice perspective.

Who Can Attend?

Students of Pharm.D and Pharm.D (PB), B.Pharmacy, M.Pharmacy-Pharmacy practice and Pharmacology and Research Scholars- Pharmacy practice and Pharmacology.

Objectives

- To skill up clinical pharmacists with advancements in comprehensive medication management for therapeutic effectiveness in patients.
- To bridge academic–practice partnership that can develop new and innovative practice advancements this in turn will improve patient outcomes.
- To foster symbiotic relationships between academicians and prescribers that promotes value-added clinical pharmacy services and emphasizing continuous quality improvement in the delivery of the services.
- To adopt a culture that establishes mechanisms to incubate new ideas and innovations in adverse drug reactions monitoring in achieving patient safety.
